| Material                        | Description   | Price Delivered to Midwest | Unit |
|---------------------------------|---|----------------------------|------|
| Prepared Iron (1040)            | Wrought iron or steel, 3' X 18" (Must be > 1/4" thick)  | \$ 105.00                  | NT   |
| Unprepared/Mixed Iron (1060)    | Larger than prepared, mixed with cast   | \$ 65.00                   | NT   |
| Rail                            | Must have authorization to sell. Cut 3' lengths   | \$ 115.00                  | NT   |
| #1 Cast (1085)                  | Agricultural, motor & Other machinery cast and brake drums free of iron. Less than 2" thk                   | \$ 90.00                   | NT   |
| #2 Cast (1085)                  | Stove plate, window weights, brake shoes, bathtubs, misc. cast free of iron; brake drums with iron. <2" thk | \$ 55.00                   | NT   |
| Tin (2860)                      | Black or galvanized steel less than 1/4" thick (No wood or insulation)                                      | \$ 70.00                   | NT   |
| Appliances (White Goods) (2860) | Refrigerators (Compressors removed), Dryers, Hot Water Heaters, tin with insulation                         | \$ 30.00                   | NT   |
| Cars (Must have title) (2850)   | Gas tank drained with large hole in it  | \$ 70.00                   | NT   |
| Large Vehicles (2850)           | Tractors, Buses, Combines, trailers, etc. (Gas tank drained with large hole in it)                          | \$ 35.00                   | NT   |
| #1 Copper (4000)                | 1/8" or larger, bare, 14 ga or heavier, un-coated, free of all other materials                              | \$ 1.88                    | Lb   |
| #2 Copper (4200)                | Smaller than 1/8" bare 15 ga or lighter, un-coated Or bar stock, free of all other materials                | \$ 1.56                    | Lb   |
| Lt. Copper Sheet (4600)         |   | \$ 1.41                    | Lb   |
| Red Brass (5250)                |   | \$ 1.50                    | Lb   |
| Yellow Brass (5350)             |   | \$ 1.10                    | Lb   |
| Car Radiators (5200)            | Drained and free of iron  | \$ 1.09                    | Lb   |
| Copper/Alum. Radiators (3110)   |   | \$ 0.60                    | Lb   |
| Stainless Steel (6001)          |   | \$ 0.15                    | Lb   |
| Lead (Sheet, Pipe, Etc) (7100)  | <b>Lead Wheel Weights \$.10/lb (7150)</b>   | \$ 0.28                    | Lb   |
| Clean Aluminum (3460)           | Free of iron  | \$ 0.25                    | Lb   |
| Bulk Aluminum (3460)            | Plates, sheets, large shapes greater than 4' X 5'   | \$ 0.20                    | Lb   |
| Aluminum Cans (3190)            | Cans only, no alum foil, pie plates, etc.   | \$ 0.30                    | Lb   |
| Unclean Aluminum (3150)         | Has foreign material attached such as iron, wood, etc   | \$ 0.04                    | Lb   |
| Dirty Motors (3130)             |   | \$ 70.00                   | NT   |
| Insulated Copper Wire (4300)    | ENDS MUST BE CUT OFF  | \$ 0.14                    | Lb   |
| Brass Breakage (5060)           |   | \$ 0.21                    | Lb   |
| Heater Cores (5205)             |   | \$ 0.60                    | Lb   |
| Compressor (8480)               | Cleaned (drained)sealed units/compressors or transformers   | \$ 0.04                    | Lb   |
| Electric Motors (4550)          | Electric motors, starters & alternators   | \$ 0.04                    | Lb   |

Hours - Scale: 8:00 to 4:30; Counter 8:00 - 5:00 Monday through Friday
